## Beach

Zimbali Estate is privileged to have its own beach access. Flora and fauna of interest in this area are:

Southern Right Whale
Ghost Crab
Natal Francolin
Humpback Whale
Wild Orchid
Kelp Gull
Bottle-Nosed Dolphin
Red Milkwood Tree
Blue Duiker

## Forest

The woody, leafed pathways and thickets of the coastal forest are a safe haven for animal, bird and plant species, such as:

Bushbuck
Crested Guineafowl
Thick-tailed Bushbaby
Grey Duiker
African Crowned Eagle
Banded Mongoose
Scrambling Fig Tree
Common Asparagus Fern
Forest Mahogany

## Golf

The golf course is not just for golfers, but also an exciting flora and fauna habitat. Around the water and grasslands areas of the course, look out for:

White-Tailed Mongoose
Pickersgill's Reed Frog
Yellow Weaver
Porcupine
Cape Grassbird
Bee Eater
Painted Reed Frog
Long-Crested Eagle
White Lady
